

ABOUT MARIANNE

Baking is my passion. Although I didn't know it at the time, I started preparing to create my business over 50 years ago, measuring flour and sugar for my Mom when I still had to stand on a stool to reach the counter. I won my first cake contest when I was 13, and baked for fun, family and friends for many years. Then I took the plunge and went back to school to learn more about baking and the business of baking. It's all come to this: My dream has become my reality. Red Carpet Cookies LLC is open for business.
